Valuable Ministry DVDs at Low Cost

Chinese Resource Ministry of AFC

All DVDs have Mandarin, Cantonese, and English soundtracks; and simplified and traditional script Chinese, and English subtitles (Except J1-36D, *More than Dreams*, and J1-55D, *Encountering Grace*, which are exclusively Mandarin)

A Question of Origins (J1-22D): Entertaining and enlightening, this presentation shows that the universe and all life are the direct creation of the God of the Bible (61 min.). This DVD also contains the video ***From a Frog to a Prince***, which has a similar theme (28 min.). Also includes the short *Good Test* video.

God of Wonders (J1-24D): presents the beauty of God's creation using stunning video of earth's landscape and living creatures, then leads the viewer to a God of righteousness, a God of judgment, and ultimately to the greatest wonder of all, a God of salvation. 85 min, with 30 min abridged version.

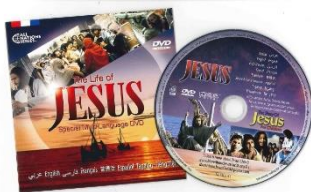

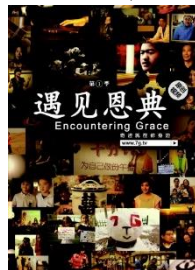

The Case for Christ (J1-16D): is a stirring documentary on the historicity of Christ's existence, death, and resurrection. Details one man's two-year search for the truth of who Jesus Christ really was. Contains both 71 min and 30 min versions.

Metamorphosis (J1-34D): The Beauty and Design of Butterflies: This DVD tracks the transformation of the monarch butterfly, and the migration and mating of butterflies in Central America. These internal habits are not learned from a previous generation of butterflies, but rather they are instilled in every butterfly by the Creator of the Universe when they are born. Full version: 64 minutes; Abridged version: 29 minutes.

Encountering Grace (J1-55D) 10 stories of faith in Mainland China. Average of 10 minutes for each story. This is a great gift for seekers or new believers! This is season 1 of 7G.tv's productions. Please visit their website for more stories of faith. 93 minutes total.

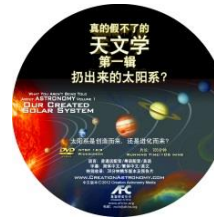

The Jesus Film (J1-3D) JESUS Film (115 min with 8 min intro) and Story of JESUS for Children (58 min) are all in Mandarin, English, Arabic, Farsi, French, Latin American Spanish, Tagalog, and Vietnamese. Subtitles in Chinese, English, Arabic, French, German, Spanish, and Vietnamese.

Intelligent Design (2 videos on 1 DVD: J1-26D): ***Unlocking the Mystery of Life*** (60 min), which uses state-of-the-art computer animation to demonstrate the extreme complexity of the living cell, and the need for an intelligent designer; and ***The Privileged Planet*** (58 min), which convincingly demonstrates that the earth is designed by an amazing intelligence. Graphically presents the finely tuned and unique factors that make Earth suitable for complex life.

Darwin - The Voyage that Shook the World: (J1-31D): A stunning docu-drama, filmed on four continents, retracing the voyage of the HMS Beagle, incorporating critiques from scientists and historians on the man and his revolutionary ideas. 52 minutes.

More than Dreams (J1-36D): captivating stories of five Muslims who came to Christ in societies devoid of Christian influence. Each conversion story is presented in an engaging docu-drama style. 5 stories, total of 187 minutes.

Astronomy - Our Created Solar System (J1-27D): In this video, you'll tour all the planets (and some of their moons) in our Solar System, through more than 230 stunning photographs and graphics from NASA and other sources. You'll see how each planet and moon matches the Biblical account, not the secular model. Full version: 106 minutes; With abridged version also: 30 minutes.

Set in Stone (J1-28D): A fascinating, fact-filled, beautifully filmed documentary, taking in picturesque locations across the British Isles, including classic geological icons. An excellent DVD to help unravel the mysteries of earth's geological past, challenging head on the notion of millions-of-years thinking. 58 min with 30 min abridged version.
